Re: **Docket No. 2013-48-C**
CONFIDENTIAL DOCUMENT: Nexus Communications, Inc. Re-
certification of Lifeline Subscriber Base

Dear Ms. Boyd:

On behalf of Nexus Communications, Inc. ("Nexus") please find enclosed its FCC Form 555, which Nexus submits to the Commission pursuant to 47 CFR § 54.416(b).

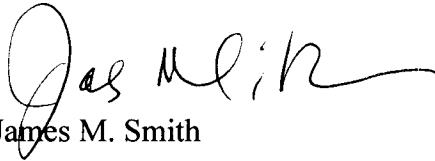

This filing has been marked CONFIDENTIAL DOCUMENT and is being filed in a separate envelope under seal, as it contains confidential and proprietary information. Specifically, Nexus seeks confidential treatment of the data contained in Form 555, which includes the overall number of Nexus subscribers in South Carolina and a breakdown of the results of Nexus's effort to re-certify its customer base. Nexus has taken measures to prevent disclosure of this information, including filing it under seal of confidentiality to the FCC. This information is not contained in materials which are routinely available to the general public or other government agencies. It has not been disclosed to others, and Nexus has taken precautions to prevent such disclosure. Because of the highly competitive nature of the wireless marketplace and the confidential nature of such details, disclosure would cause harm to Nexus' competitive position in the marketplace.
